

That submission was signed by an individual, Walid Hendi ("Hendi"), who under the law has no individual standing in this action. With Hendi having chosen to conduct business in corporate form, defendant Felfel can act only through a lawyer, and this Court is not in the position to act on Hendi's individual request. If he is the owner (or one owner) of Felfel's stock, as would seem to be the case, he would be well advised to act swiftly to retain a lawyer for Felfel

to avoid the possibility of a motion for default being filed by Paradine's counsel.

A handwritten signature in black ink, reading "Milton I. Shadur". The signature is written in a cursive style with a large, stylized "M" and "S".
